If the Company takes over an Insured's rights, the Insured must sign an appropriate subrogation form supplied by the Company.

As a condition to receiving the applicable benefits listed above, as they pertain to this Subrogation provision, the Insured agrees, except as may be limited or prohibited by applicable law, to reimburse the Company for any such benefits paid to or on behalf of the Insured, if such benefits are recovered, in any form, from any Third Party or Coverage.

Section VI
GENERAL PROVISIONS

Acts of Agents. No agent or any person or entity has authority to accept service of the required proof of loss or demand arbitration on the Company's behalf nor to alter, modify or waive any of the provisions of the Policy.

Company's Recovery Rights. In the event of a payment under the Policy, the Company is entitled to all rights of recovery that the Insured, or the person to whom payment was made, has against another. The Insured must sign and deliver to the Company any legal papers relating to that recovery, do whatever is necessary to help the Company exercise those rights, and do nothing after the loss to harm the Company's rights. When an Insured has been paid benefits under the Policy but also recovers from another policy, the amount recovered from the other policy shall be held in trust for the Company by the Insured and reimbursed to the Company the extent of the Company's payment.

Physical Examination and Autopsy. The Company at its own expense has the right and opportunity to examine the person of any Insured whose Loss is the basis of claim under the Policy when and as often as it may reasonably require during the pendency of the claim and to perform an autopsy in case of death where it is not forbidden by law.

Beneficiary Designation and Change. The Insured's beneficiaries are the persons designated by the Insured and on file with Travel Guard or the beneficiaries as shown in the Payment of Claim: To Whom Paid provision. An Insured over the age of majority and legally competent may change his or her beneficiary designation at any time, without the consent of the designated beneficiaries, unless an irrevocable designation has been made, by providing Travel Guard with a written request for change. When the request is received, whether the Insured is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment made by it prior to receipt of the request.

Assignment. An Insured may not assign any of his or her rights, privileges or benefits under the Policy.

Misstatement of Age. If premiums for the Insured are based on age and the Insured has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. If the benefits for which the Insured is insured are based on age and the Insured has misstated his or her age, there will be an adjustment of said benefit based on his or her true age. The Company may require satisfactory proof of age before paying any claim.

Legal Actions. No action at law or in equity may be brought to recover on the Policy prior to the expiration of 60 days after written proof of Loss has been furnished in accordance with the requirements of the Policy. No such action may be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Arbitration. Notwithstanding anything in this coverage to the contrary, any claim arising out of or relating to this contract, or its breach, may be settled by arbitration, as provided in the Subrogation section of this policy. Any such clause will be construed to impair the rights of the Insureds to assert several, rather than joint, claims or defenses.

Concealment or Fraud. The Company does not provide coverage if the Insured has intentionally concealed or misrepresented any material fact or circumstance relating to the Policy or claim.

Payment of Premium. Coverage is not effective unless all premium due has been paid to Travel Guard prior to a date of Loss or insured occurrence.

Termination of the Policy. Termination of the Policy will not affect a claim for Loss if coverage was purchased while the Policy was in force.

Transfer of Coverage. Coverage under the Policy cannot be transferred by the Insured to anyone else.

Insurance With Other Insurers: If there is other valid coverage with another insurer that provides coverage for the same Loss, the Company will pay only the proportion of the Loss that this Company’s Limit for that Loss bears to the total limit of all insurance covering that Loss, plus such portion of the premium paid that exceeds the pro-rata portion for the benefits so determined.
Notice to Arkansas Residents:
The Arbitration provision is amended to add that arbitration is non-binding and voluntary. The Legal Actions provision is amended to extend the time limit to five years. The Subrogation provision is amended to add the following: The Company’s right of subrogation will not be invoked until benefits to which the Insured is entitled under the Policy are paid to or on behalf of the Insured, and the Insured has been made whole and is fully compensated for damages. The Excess Insurance Limitation provision does not apply to the health benefits. The Medical Expense Payment of Loss provision is amended to add the following provision regarding appeals for medical claims which have been denied.
