However, arbitration will take place only if both Insured and Company agree, voluntarily to have the loss arbitrated. Upon mutual voluntary agreement, the Insured and the Company each select their own competent appraiser. After examining the facts, each of the two appraisers will give an opinion on the amount of the Loss. If they do not agree, they will select an arbitrator. Any figure agreed to by 2 of the 3 (the appraisers and the arbitrator) will be binding. The appraiser selected by the Insured is paid by the Insured. The Company will pay the appraiser it chooses. involve signing any papers and taking any other steps the Company may reasonably require. If the Company takes over an Insured's rights, the Insured must sign an appropriate subrogation form supplied by the Company.

As a condition to receiving the applicable benefits listed above, as they pertain to this Subrogation provision, the Insured agrees, except as may be limited or prohibited by applicable law, to reimburse the Company for any such benefits paid to or on behalf of the Insured, if such benefits are recovered, in any form, from any Third Party or Coverage.

The Company will not pay or be responsible, without its written consent, for any fees or costs associated with the pursuit of a claim, cause of action or right by or on behalf of an Insured or such other person against any Third Party or Coverage.

This provision does not apply to covered expenses for any medical coverages.

Coverage - as used in this Subrogation section, means any other fund or insurance policy (except coverage provided under this Policy).

Third Party - as used in this Subrogation section, means any person, corporation or other entity (except the Insured and the Company).

SECTION VI GENERAL PROVISIONS

Entire Contract: Changes. This Policy, Schedule of Benefits, Application Form and any attachments are the entire contract of insurance. No agent may change it in any way. Only an officer of the Company can approve a change. Any such change must be shown in this Policy or its attachments.

Acts of Agents. No agent or any person or entity has authority to accept service of the required proof of Loss on the Company's behalf nor to alter, modify or waive any of the provisions of this Policy.

Company's Recovery Rights. In the event of a payment under this Policy, the Company is entitled to all rights of recovery that the Insured, or the person to whom payment was made, has against another. The Insured must sign and deliver to the Company any legal papers relating to that recovery, do whatever is necessary to help the Company exercise those rights, and do nothing after the loss to harm the Company's rights. When an Insured has been paid benefits under this Policy but also recovers from another policy, the amount recovered from the other policy shall be held in trust for the Company by the Insured and reimbursed to the Company the extent of the Company's payment. This provision does not apply to covered expenses for any medical coverages.

Physical Examination and Autopsy. The Company at its own expense has the right and opportunity to examine the person of any Insured whose Loss is the basis of claim under this Policy when and as often as it may reasonably require during the pendency of the claim and to perform an autopsy in case of death where it is not forbidden by law.

Beneficiary Designation and Change. The Insured's beneficiaries are the persons designated by the Insured and on file with Travel Guard or the beneficiaries as shown in the Payment of Claim: To Whom Paid provision.

An Insured over the age of majority and legally competent may change his or her beneficiary designation at any time, without the consent of the designated beneficiaries, unless an irrevocable designation has been made, by providing the Travel Guard with a written request for change. When the request is received, whether the Insured is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment made by it prior to receipt of the request.

Assignment. An Insured may not assign any of his or her rights, privileges or benefits under this Policy.

Misstatement of Age. If premiums for the Insured are based on age and the Insured has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. If the benefits for which the Insured is insured are based on age and the Insured has misstated his or her age, there will be an adjustment of said benefit based on his or her true age. The Company may require satisfactory proof of age before paying any claim.

Legal Actions. No action at law or in equity may be brought to recover on this Policy prior to the expiration of 60 days after written proof of Loss has been furnished in accordance with the requirements of this Policy. No such action may be brought after the expiration of 5 years after the time written proof of Loss is required to be furnished.

Arbitration. Notwithstanding anything in this coverage to the contrary, after a dispute has arisen, arbitration may take place if the Insured and the Company fail to agree on the amount of the loss. However, arbitration will take place only if both Insured and Company agree, voluntarily to have the loss arbitrated. Arbitration will be administered by the American Arbitration Association in accordance with its Commercial rules except to the extent provided otherwise in this clause. Judgment upon the award rendered in such arbitration may be entered in any court having jurisdiction thereof. All fees and expenses of the arbitration shall be borne by the parties equally. However, each party will bear the expense of its own counsel, experts, witnesses, and preparation and presentation of proofs. The arbitrators are precluded from awarding punitive, treble or exemplary damages, however so denominated. If more than one Insured is involved in the same dispute arising out of the same Policy and relating to the same Loss or claim, all such Insureds will constitute and act as one party for the purposes of the arbitration. Nothing in this clause will be construed to impair the rights of the Insureds to assert several, rather than joint, claims or defenses. Medical coverage will not be arbitrated.

Concealment or Fraud. The Company does not provide coverage for a fraudulent insurance act. A "fraudulent insurance act" means an act committed by any person who, knowingly and with intent to defraud, presents, causes to be presented or prepares with knowledge or belief that it

will be presented to or by an insurer, purported insurer, broker or any agent thereof, any written statement as part of, or in support of, an application for the issuance of, or the rating of an insurance policy for personal or commercial insurance, or a claim for payment or other benefit pursuant to an insurance policy for commercial or personal insurance which such person knows to contain materially false information concerning any fact material thereto; or conceals, for the purpose of misleading, information concerning any fact material thereto.

Payment of Premium. Coverage is not effective unless all premium due has been paid to Travel Guard prior to a date of Loss or insured occurrence. Termination of this Policy. Termination of this Policy will not affect a claim for Loss if coverage was purchased while this Policy was in force. Transfer of Coverage. Coverage under this Policy cannot be transferred by the Insured to anyone else.

Controlling Law. Any part of this Policy that conflicts with the state law where this Policy is issued is changed to meet the minimum requirements of that law.

Insurance With Other Insurers. If there is other valid coverage with another insurer that provides coverage for the same Loss, the Company will pay only the proportion of the Loss that this Company's Limit for that Loss bears to the total limit of all insurance covering that Loss, plus such portion of the premium paid that exceeds the pro-rata portion for the benefits so determined.

Cancellation By Insured. The Insured may cancel this policy at any time, prior to the start of the Insured's Trip, by written notice delivered or mailed to Travel Guard or the Company, effective upon receipt of such notice or on such later date as may be specified in such notice. In the event of cancellation or death of the Insured, the Company will promptly return the unearned portion of any premium paid. The earned premium shall be computed by the use of the pro rata method. Cancellation shall be without prejudice to any claim originating prior to the effective date of such cancellation.

Time Limit on Certain Defenses. After 2 years from the date of issue of this Policy, no misstatements, except fraudulent misstatement, made by the applicant in the application for this Policy shall be used to void the Policy or to deny a claim for Loss incurred after the expiration of such 2 year period. No claim for Loss incurred after 2 years from the date of issue of this Policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss has existed prior to the effective date of coverage of this Policy.
