Company's Recovery Rights. In the event of a payment under this Policy, the Company is entitled to all rights of recovery that the Insured, or the person to whom payment was made, has against another. The Insured must sign and deliver to the Company any legal papers relating to that recovery, do whatever is necessary to help the Company exercise those rights, and do nothing after the loss to harm the Company's rights. When an Insured has been paid benefits under this Policy but also recovers from another policy, the amount recovered from the other policy shall be held in trust for the Company by the Insured and reimbursed to the Company the extent of the Company's payment.

When the request is received, whether the Insured is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment made by it prior to receipt of the request.

Assignment. An Insured may not assign any of his or her rights, privileges or benefits under this Policy.

Misstatement of Age. If premiums for the Insured are based on age and the Insured has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. The Company may require satisfactory proof of age before paying any claim.

Legal Actions. No action at law or in equity may be brought to recover on this Policy prior to the expiration of 60 days after written proof of Loss has been furnished in accordance with the requirements of this Policy. No such action may be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Concealment or Fraud. The Company does not provide coverage if the Insured has intentionally concealed or misrepresented any material fact or circumstance relating to this Policy or claim.

VERMONT MANDATORY ENDORSEMENT CIVIL UNIONS

Vermont law requires that health insurers offer coverage to parties to a Civil Union that is equivalent to coverage provided to married persons.

1. The definition of Civil Union is added to and made a part of the Definitions section.

Civil Union – means that two eligible persons have established a relationship pursuant to 15 V.S.A. chapter 23 of Vermont's Statutes and may receive the benefits and protections and be subject to the responsibilities of spouses.

2. The definition of Party(ies) to a Civil Union is added to and made a part of the Definitions section.

Party(ies) to a Civil Union – means an Insured who has established a Civil Union with another person pursuant to 15 V.S.A. chapter 23 and 18 V.S.A. chapter 106.

3. The definitions, terms, conditions or any other provisions of this Policy and/or Riders and Endorsements to which this mandatory Endorsement is attached are hereby amended and superseded as follows:

Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms include the relationship created by a Civil Union.

Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a Civil Union.

Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a Civil Union.

4. As provided in this Endorsement the term child or covered child shall mean a child (natural, stepchild, legally adopted child, a minor, or a disabled child) who is: (1) dependent on the Insured for support and maintenance; and (2) born to or brought to: (a) a marriage; or (b) a Civil Union established according to Vermont law.
5. The term spouse, wherever it appears in this Policy, Rider, Endorsement, and/or Application is deemed to include a Party to a Civil Union.

THIS ENDORSEMENT IS NOT MEANT TO PROVIDE DEPENDENT COVERAGE IF DEPENDENT COVERAGE IS NOT PROVIDED UNDER THIS POLICY.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to Parties to a Civil Union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a Party to a Civil Union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a Party to a Civil Union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, Parties to a Civil Union and their families may or may not have access to certain benefits under this Policy, Rider, or Endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this Policy.

Notice to Wyoming Residents:

The second sentence in the Legal Actions provision is amended as follows:

"No such action may be brought after the expiration of 10 years after the time written proof of loss is required to be furnished".
